Dear Mr Martin

Re: State Services Commission Inquiry into the Use of External Security Consultants - Clarification

Thank you for your letter of 29 October 2018 regarding the above Inquiry.

I can confirm that our earlier response to your letter dated 23 July 2018 included our subsidiary company, Telarc Limited and after taking reasonable steps of enquiry, the Accreditation Council has had no dealings with Thompson and Clark Investigations Limited and its associated entities, nor any other external security agency over the period dated from 2008 to date, either in a formal or informal manner.

Yours faithfully
